

The **#1 source** of knowledge for the hospitality industry

Our *mission* is to help hospitality professionals *live* life on *their* terms.

How? →

By giving them access to actionable knowledge for their day-to-day lives

By updating them on what's going on in the industry

By running online and in-person events to deep dive into the kinds of topics

By doing all of this with a smile and a wink

and we solemnly swear to **never** be boring!
